**Step 1, Getting Started:** Read all instructions for Sassy Red Hat Jar before starting. Assemble all supplies.

**Step 2, Preparing Jar Base:** Lay cardboard box on its side over newspaper in a well-ventilated area. Place jar upside down inside box. Put on rubber gloves. Spray purple paint on jar on all sides. Allow to dry; repeat if necessary for an even coating.

**Step 3, Assembling Red Hat Lid:** Place Lid on Jar. Cut 9" diameter circle from Red Felt. Place cotton balls on top of lid. Center Red Felt on top of lid (over cotton balls) and secure by lightly screwing on Band. Adjust folds in Felt as desired before screwing Band down tightly. Cover outside of Band with Purple Ribbon, securing with hot glue. (Note: Hot glue guns should only be used by adults according to manufacturer's instructions and in a safe, well-ventilated location.)

**Step 4, Finishing Touches:** Using hot glue, attach Rose to right side of Band. Embellish further with Feather and Clear or White Beads; glue behind Rose. Glue strands of Red Beads to Jar below "hat brim". Wrap Boa around base of Jar as the final finishing touch.

## Fun Project Idea

Add additional beads, flowers and feathers as you see fit. Attach a large paper clip to the back of Band to hold a reminder for the next luncheon or a favorite group photo. Celebrate your red hot attitude with this Jar or present it to someone who shares your sassy style!
