Additional Supplies to have on  
hand: White glue and scissors.

**Step 1, Getting Started:** Read all instructions for the Vacation Memories Jar before starting. Assemble all supplies.

**Step 2, Contents of Jar:** Fill Jar 2/3 full with Sand. Arrange Seashells on top of Sand. Place Lid on top of Jar and screw on Band.

**Step 3, Assembling "Sunrise"**  
**Lid:** Cut 2" diameter circle from Yellow Paper. Fold in half. Glue one half of circle to Lid so other half of circle stands up. From Yellow Paper, cut six 2" long sunrays. From Orange Paper, cut five 1 3/4" long sunrays. Glue end of yellow rays onto back of circle, about 3/8" apart. Glue end of orange rays onto back of circle, in between yellow rays. Glue Blue Paper strip around Band.

**Step 4, Finishing Touches:** Glue Photo onto Jar, allowing enough room for Seashells to show.

## Fun Project Idea

Your Vacation Memories Jar can hold memorabilia from any vacation, not just the beach! Fill your jar with ticket stubs and playbills from the theatre or foreign coins from a European vacation! Decorate the outside with photos to remind you of your time away.
